

Capital Gainz Calendar

The Capital Gainz Calendar program displays a monthly, scrollable calendar, along with the current date and time. Buttons on the calendar are:

- **Today** - Display the current month first.
- **- Mo** - Scroll back 1 month. You can also use the **PgUp** key.
- **+ Mo** - Scroll forward 1 month. You can also use the **PgDn** key.
- **- Yr** - Scroll back 1 year. You can also use the **Ctrl-PgUp** key.
- **+ Yr** - Scroll forward 1 year. You can also use the **Ctrl-PgDn** key.
- **Exit** - Terminate the calendar.

The display can be toggled to show either 2 or 4 months using the **2 Mnth** and **4 Mnth** checkboxes. By default, 4 months are shown.
